The analytical should brighten up everyone's day!! Excellent job, the process is working and the Water Board and its contractor's continued diligence and attention to the problem has abated what could have potentially been a huge PR challenge to the project as a whole....

These weekly summaries are perfect.

**Subject:** Leviathan Mine Spring Treatment Summary Report for March 20 to March 27, 2017

Hi Lynda,

Attached is the Lahontan Regional Water Quality Control Board's (LRWQCB) summary of 2017 Leviathan Mine spring treatment operations from March 20 to March 27, 2017. Please note the most recent sample results have been added to the Tables.

Please let me know if you have any questions.

Douglas Carey, P.G.

Senior Engineering Geologist

Leviathan Mine

Regional Water Quality Control Board, Lahontan Region

2501 Lake Tahoe Blvd.

South Lake Tahoe, CA 96150
